Thursday, February 9th - 2012-2013 registration forms are due  
 Thursday, February 9th - Barnes & Noble Night  
 On Feb 13th, please send in with your child 15 Valentine's cards with your child's name written on the back of each. We request that the Valentine's not be addressed to individual children since name recognition is still difficult and handing them out could be frustrating. This is a good opportunity to have your pre-schooler practice writing their first initial or name by signing their Valentine's. Spread this activity out over a few days so the project won't be too taxing.
